

Modi Public School, Siliguri

Dear Parents,

Greetings from Modi Public School, Siliguri!

We know that the entire country is passing through a difficult phase and we, as individual and as family members, are getting affected by the Covid crisis prevailing in the country. But we have to move on and overcome our difficulties.

The show must go on. We have to be positive in our thoughts.

Given the present scenario we have to carry on with our Virtual Classes. We have taken certain decisions to make the learning process a comprehensive one. Keeping the views of everyone in mind, the following directives are to be adhered to by all the students –

- 1] **Attending** all the classes is **COMPULSORY**; the teachers are monitoring the attendance of each and every child; the parents are requested to ensure that their children **attend all classes from Monday to Friday**; all students **must join the class on time and remain till the end of the class**;
- 2] **Submission of assignments** is **MANDATORY**; the teachers are monitoring the submission of assignments of each and every child; assignments are to be submitted in **Google Classroom**, in the **name of the STUDENT**; **late submission of assignments are NOT ACCEPTED**;
- 3] **Assessments will be conducted after the completion of one or two chapters**; these will be conducted in the specific subject class itself; it will be part of **continuous evaluation of a child**;
- 4] **Comprehensive Evaluation** of a child will be based on **Attendance**, **Submission of Assignments**, **Performance in the Assessments**;
- 5] There will be **3 TERM Evaluations**;
- 6] The **Evaluation Card** of **TERM Evaluations** will reflect the **GRADES** scored in the **abovementioned Evaluations along with comprehensive evaluation as mentioned in point No. 4.**

Principal.
