

# Modi Public School, Siliguri

Dear Parents,

*Greetings from Modi Public School, Siliguri!*

Please refer to my Circular shared on **05.05.21**.

Even after making a request to the parents, it has been observed that **still many students are –**

- 1] **irregular in attending their classes;**
- 2] **irregular in submitting their assignments in Google Classroom;**

It was made clear that continuous evaluation (tests) of students will be done throughout the year and only two examinations – Half Yearly & Annual will be conducted during the year. The Report Card of Half Yearly & Annual examinations will reflect the marks scored in the above mentioned examinations along with Comprehensive Evaluation of a child based on Attendance, Submission of Assignments, Performance in the Tests (**Annexure**).

The continuous evaluation in many classes has already been started. **The Tests will be conducted either in the designated period itself or on Saturdays.** Prior notices of the schedule of the Tests will be shared in the individual Class Groups.

**Switching ON the cameras during the evaluations is a MUST and students found with cameras switched OFF will be marked ABSENT and their submissions will not be accepted.**

It has been observed that few of the students are leaving the class and going for breakfast in the middle of the 1<sup>st</sup> period. **NOT PERMITTED.**

We want all the students to attend the classes with a proper dress. **Half vests are NOT permitted.**

Principal.
